

I'm Moozie, composed by Simon Hill, December 8, 2024

(audio version is sung by Simon assisted by his children as backup vocalists)

I'm Moozie,
The most amazing cow that you'll meet.
"Udderly" remarkable.
Would you agree?
And would you be?
Someone who chooses to be kind like me 'cause...

When we
Are nice to one another it's then we
Learn to love another. We're friendly
Sisters and brothers,
A big family,
And we all get to be...

There for all times, the baddies and the goodies,
With a cow that does more than make milk for your cookies.
I hope you can see all we can do.
If you'll be my friend then just give me a MOOOOO!!!

For Moozie,
The most amazing cow that you'll meet.
"Udderly" remarkable.
Would you agree?
And would you be?
Someone who chooses to be kind like me.

I'm Moozie, Moozie, Moozie, Moozie.
